## Pastor's Corner — Rev. Eric Lane

Merry Christmas,

We are fast approaching the end of the year. As I reflect back over the past year, I do so with a heart of thankfulness. I have been blessed by so many who have shared their love with my family and me. For all the love that you have shown to us, I want to say, "Thank You."

I wish I could personally sit with each of you and share my gratitude but I know that it is impossible.

I also reflect upon and wish to thank you for sharing in ministry with me. If it were not for your devotion to God and being in ministry with God, then there would be no reason to gather together each Sunday or at other times. It is through your willingness to serve and to give that we can share with others, and be the church that Christ has called us to be.

Through your gifts, your presence, your service, and your witness—united as one—we can feed the hungry, clothe the naked, give water to the thirsty, care for the sick and dying, and welcome strangers.

No gift given out of the love for Christ is too small or unwelcomed. Remember, Jesus looked at the widow as she put in her last coin, and said that she had given more than all the others.

Let me share a few ways that we have carried the gospel message to the world.

In January last year and again this January 2016, a team will travel to Costa Rica. There they will go to a remote area and assist in building a church. Others will remain at the camp area where they will continue work on the camp, which serves the area as a retreat for, not only young men and women, but for faith communities as well.

In February, I will again be leading a team to travel to Belize. It was a privilege to have the chance to travel and spend time in Belize, but greater to see how God works in the lives of His people to bring about good. Young men and women are being exposed to the love of Christ as they have the chance to gain a better education.

## Something to Pray About

by Cindy Sears

"If we are rich and see others in need, yet close our hearts against them, how can we claim that we love God? My children, our love should not be just words and talk; it must be true love, which shows itself in action. —1 John 3:17-18 GNT

**WORKING FOR THE  
LOVE OF JESUS**

Ebenezer UMC is involved in many different ministries. The budget that ran in last month's newsletter only shows what we need to keep the lights on, the buildings maintained, and our general ministries going. Our members and friends give in many more ways to help spread the love of Christ and the gospel message to people in the community and around the world. Here are a few reports of projects that we are currently involved in or supporting with our gifts and skills in some way. You can also help by giving directly to these mission projects. Just remember that we still need to keep the lights on here at Ebenezer! May God bless your giving and our work for him!

### HABITAT FOR HUMANITY HOUSES

Our church, and other UM churches in Caldwell County, worked on another house for a family through the *Habitat for Humanity* organization this year. Our giving to this project included \$3,438 and voluntary labor from our members. To give to this fund, mark your envelopes under "Other" to "Habitat." See our website for pictures of the latest project.

### COSTA RICA MISSION TRIP

For the past several years, a team that included some of our church members has flown to Costa Rica to help build or repair church facilities and private homes of people in Costa Rica. They have also supplied school clothing and other related items to children there. When you buy a ham or sausage biscuit at the monthly sales, you are contributing to this work. So far, over \$4,840 has come in for this fund. To give directly to this fund, mark your envelopes under "Other" to "Costa Rica."

### LORD'S SUPPER MINISTRY AND FOOD PANTRY

We maintain a pantry of nonperishable food and household items to give out to members and people in the community who are struggling to provide food or basic necessities to their families. We also have a group that faithfully prepares and delivers a hot meal once a month to our shut-ins or people who are ill or just need a little extra love. This ministry has been hurting for funds lately. To give to the Lord's Supper (meal delivery) mark your envelopes under "Other" to "Food Ministry." To give to the pantry, please give us canned or boxed food items or personal hygiene items.

## Special Gifts for Christ Sunday, December 20, 2015

Allow me to share with you what I feel is a great opportunity for us as a church. I am not sure of the history behind this; yet, it goes well back in the history of our church. I am speaking of "Gifts for Christ."

Let me explain. The Sunday prior to Christmas, which is December 20, 2015, we celebrate what is known as "Gifts for Christ" Sunday. During offering time, instead of our ushers passing the offering plate, we are given the opportunity to bring our gifts, wrapped or not wrapped, to the altar where we place them into and around a manger. Symbolically, we are celebrating the birth of Christ as did the wise men, who brought their gifts on that first Christmas day.

Now a gift is that which goes beyond our tithe. Our tithe is what we have personally pledged to give to God as a way of saying thanks, and in accordance to the Biblical teaching of giving of our "first fruits."

In keeping with this, all that is given beyond our normal offering on this Sunday, I am asking that 10% go towards outreach ministry, and that the remainder go towards the Christian Life Center mortgage.

I realize that money is tight around Christmas with all the preparations, decorating, and buying of Christmas gifts. But what if this year, along with that tie for dad, or slippers for mom, or maybe that toy for the children, they received a card that said, "Your gift also includes a gift given in your honor to Ebenezer UMC"?

And for those of us who have lost a loved one, or loved ones, what a way to remember the times that we shared—those warm Christmas times together—than to give a gift in memory of them.

This is a way to truly bring Christ back into Christmas.

Blessings,

Rev. Eric Lane,  
speaking for the Ebenezer Church Council.

## Christmas Shoe Boxes

We are collecting shoe boxes filled with toys for children for Samaritan's Purse again this year. Boxes, packing guidelines, and labels are available at the church. If you hate to shop, you can also go online at [www.samaritanspurse.org](http://www.samaritanspurse.org) and pack a box that way.

Please drop your boxes off at the church by **Saturday, December 5 at 9:00 a.m.**

Please enclose \$7 to offset shipping charges (place in top of box).

God bless you and the children who receive these gifts!

## Church Council — November 8, 2015

Attendees: Kim Ellis, Barbara Frye, Roy Hamby, Jo Nell Harrison, Alice Hill, Bleaka Hollar, JoAnn Knepp, Rev. Eric Lane, Judy McCrary, Cinda McCrary, Marsha McCrary, Scott & Terri Miller, Linda Moretz, Cindy Sears, Jeff Smith, and Jerry Kohnle.

Chairperson, Gerald Frye, was sick and unable to attend, so Lay Leader, Bleaka Hollar opened the meeting at 4:30 p.m. and asked Jeff Smith to give the opening prayer.

At the reading of the minutes of the previous meeting, Kim Ellis corrected the date of the Christmas play from Dec. 12th to the 13th. Rest of minutes stand as written.

### Financial Report

Jo Nell proposed that we pay \$15,000, plus the interest for the month on the CLC mortgage. The council agreed to this proposal.

### Old Business

Gateway School meal has not been set yet. Kim Ellis will be setting this up.

There was a mention of the UMM selling more Christmas trees this year. There will be more information on this later.

### New Business

Kim is asking for the donation of a rocking chair for the nursery (not a glider). Bleaka Hollar mentioned that

the Bill Campbell family would like to get rid of one large sofa, and replace it with a love seat, if someone has one for sale or to give to them. Jeff Smith and Eric and Jo Nell said that they would probably be able to find something to use.

Barbara Ferguson brought up that they want to be a part of the Relay for Life this year in memory of Missy Mullinax. They need \$250 for the t-shirt with our name on it—for the survivors. The money is needed by February 28th. The council agreed to provide the funds for this. The next Relay for Life will be on Saturday at South Caldwell High School on May 30th. (It will not run through the night, as previously has been done.)

Kim Ellis asked if three trash cans are sufficient for the kitchen. Jeff Smith and other people said that the three cans are enough for now.

Jo Nell had some questions about a few contributions that she was not sure of what to do with it, and had her questions answered.

Eric reminded us about the District Dialogue at 1st UMC Lenoir next Sunday afternoon that the leadership of the church are encouraged to attend.

Bleaka adjourned the meeting and asked Eric to close us in prayer at 4:59 p.m.

Minutes by Cindy Sears. ✚

which manifests in me as very poor coordination and trouble speaking; it is difficult for me to walk and manipulate things with my hands.

...I was born into homelessness. We lived and slept in the forest, in public parks, under bridges, in the sewers, or wherever we could find shelter. My parents were Roma (gypsies). Parents, is actually an overstatement! My mother was a prostitute. The only real memories I have of her is when she would beat me for not stealing something from the store or bring back enough money through begging!

In the beginning, my life at the orphanage was good. I remember being very happy to have food, running water, and a warm place to sleep. But, my happiness soon turned to pain and constant fear. The older kids at the orphanage began to beat me, steal my food, break my toys, and make fun of me because of my disability.

...I dream of having a family someday to call my own. I would want a mother and father to love me like so many other kids in this world have. I want to be loved and not feel as if I am worthless.

### How You Can Help Me:

First and foremost pray. You can get involved by becoming a part of Finding Hope Ministries, or you can contribute to Ebenezer UMC and mark your gift "Finding Hope Ministries" and the church will send the collected contributions to this ministry.

### MERRILL ROMANIAN ORPHANAGE

This year we were introduced to Nathan Merrill and his family who are in the process of setting up an orphanage in Romania for abandoned and exploited children. See our website for pictures of the old church they are refurbishing for the orphanage, plus a letter about their progress. To give to this ministry, write "Finding Hope" under the "Other" line on the envelope. following are excerpts from the bio of an orphan, Belle, that gives you some idea of how much these children need help (the full article is on our website):

I am 13 years old and have lived in the same state-run orphanage since I was four. I was born with cerebral palsy

## Pastor's Corner, cont'd

*(Continued from page 1)*

In April, our church is involved in a BBQ, and the profits are used to assist those in need of help with medical needs. Every month, a team gathers to cook, serve, and deliver meals to those in our community, simply because they feel that this is a ministry where they can serve.

Our Sunday school classes have many ministries that reach those in the community and beyond. We have a very active women's group that is involved in many ministry programs, and a men's group that is very active. I must say that after 13 years as a minister of this church, I am proud that our men are stepping up and taking a more active role.

These are just a few of the many ways that we as a church are being a church—Christ's Church. I do not have room to include everything, so please forgive me for leaving some out. Every gift is important, from greeting a stranger as he enters the church for the first time, to standing beside those who have lost a loved one.

Cards, letters, prayers, are all ways in which we minister as Christ's Church. Let me close by sharing one last ministry with you and it is that of Habitat.

We call ourselves The United Methodist Church, and it is for that reason that I continue and will continue to reach out to the churches in Caldwell County to come together and be in ministry together. I will not quote the entire passage but look up Ecclesiastes 4:9-12; in summary, it tells us the importance of coming together and working together. There are 17 United Methodist churches in Caldwell County. Not one of them can build a habitat home by themselves, and continue with their many other ministries. However, together we can.

I envision a time when we can put together a team that can work together with Habitat for Humanity and build not one home a year, but multiple homes. If each church only committed one person to lead this project, and committed only one person to be a part of a team; then that team organized and coordinated its efforts, reaching out to all the churches to give sacrificially—and out to the community to give, as well—the funds would be available to build a community and build homes, where those who are in need could find affordable and efficient housing.

I have challenged four anchor churches to be the example. Listen to this passage. "From everyone to whom much has been given, much will be required; and from the one to whom much has been entrusted, even more will be demanded." Luke 12:48. Ebenezer, we truly have been blessed, and we cannot sit on or build bigger barns to store up our blessings. To quote one of the great saints of our church, we should begin the year with nothing and we should end the year with nothing; and for all we have and all we give, we should give thanks and glory to God.

Thank you for all you do. My prayer is that God will bless you beyond measure.

—Rev. Eric Lane ☩
