## Pastor's Corner — Rev. Eric Lane

“Go therefore and make disciples of all nations, baptizing them in the name of the Father, and of the Son and of the Holy Spirit...” *Matthew 28:19*

September begins a great mission opportunity for us and our brothers and sisters in Caldwell County. I have been saying that *Habitat* is coming and guess what—IT IS HERE!

I know you are tired of hearing about *Habitat*, but this is a way for we, who enjoy the comforts of a home with our family, to give back. This will be the 4<sup>th</sup> house that we have been involved in building together with all the other UM Churches in Caldwell County. I am excited that we'll be building this home in Granite Falls. Let me introduce you to the man who will be buying the home.

Paul Whitt

Paul grew up in the Whitnel area of Caldwell County. He has 2 sons; Cameron, 14 and Collin, 6. Paul has joint custody of Collin. Cameron lives with his mother in Florida during school but stays with Paul during holidays and summer breaks.

He is employed with Imagine One Resources doing maintenance work for their business offices in Hickory and rental units in Caldwell County.

Paul entered the Habitat for Humanity partnership process in January 2014. He has completed over 300 sweat equity hours working on other Habitat houses and is excited to begin work on his home.

## Something to Pray About

by Cindy Sears

When my bones were being formed, carefully put together in my mother's womb...you knew that I was there—you saw me before I was born.  
—Psalm 139:15 GNT

### A DEADLY SILENCE

#### Roe vs. Wade, January 22, 1973

"Norma McCorvey became a member of the pro-life movement in 1995; she now supports making abortion illegal. In 1998, she testified to Congress:

'It was my pseudonym, Jane Roe, which had been used to create the "right" to abortion out of legal thin air. But Sarah Weddington and Linda Coffee never told me that what I was signing would allow women to come up to me 15, 20 years later and say, "Thank you for allowing me to have my five or six abortions. Without you, it wouldn't have been possible." Sarah never mentioned women using abortions as a form of birth control. We talked about truly desperate and needy women, not women already wearing maternity clothes.'" —Wikipedia

In 1960 Vital Statistics recorded 1,579 pregnancy-related deaths for the whole year, of which 289 could be attributed to abortion (legal and illegal).

In 1968 Vital Statistics recorded 859 pregnancy-related deaths, of which 133 were attributed to abortion.

In 1972 there were 24 deaths attributed to legal abortions; 39 deaths attributed to illegal abortions. (Deaths from abortions were falling because of greater access to antibiotics and better surgical procedures.)

January 21, 2015 – estimated number of abortions since the Roe vs. Wade decision:

**57,762,169 lives lost.**

That is an average of 1,375,290 per year. (divided by 42, number of years since Roe vs. Wade)

Founder of Planned Parenthood organization Margaret Sanger speaks:

"On a radio show, Sanger is reported to have said that 'morons, mental defectives, epileptics, illiterates, paupers, unemployables, criminals, prostitutes, and dope fiends' ought to be surgically sterilized. If they wish, she said, such people should also be able to choose a lifelong segregated existence in labor camps.

"...she feared that if the belief were to spread that the goal of the Negro Project was to 'exterminate the Negro population' it would hinder her true eugenic objective: the extermination of the subset of the black population that she considered 'degenerate.'"

"In this objective she was joined in the Negro project by many African-American leaders. For example, in 1939 W.E.B. Du Bois wrote in Sanger's *Birth Control Review*, 'the mass of ignorant Negroes still breed carelessly and disastrously, so that the increase among Negroes, even more than the increase among Whites, is from that part of the population least intelligent and fit, and least able to rear their children properly. . . [the black race] must learn that among human races and groups, as among vegetables, quality and not mere quantity really counts.'"

--The Gospel Coalition ([www.thegospelcoalition.org](http://www.thegospelcoalition.org))

"Knowledge of birth control is essentially moral. Its general, though prudent,

## A Letter from the Men's Room

Howdy y'all from the UMM. The men have been a little busier than we were back in the spring. We have almost finished our summer honey-do, I mean, mission projects. Got some trees trimmed for decoratin' for Jesus' b-day. I'm so very sorry to the UMM guys I didn't make that one; prior commitments, ya know. I did hear it went well. So to all you real tree peeps, the hard workin' men at the Ebenezer UMM are here for you!

We almost got a local mission project done. We just have to get a roof on a small block building that has been built so well it will be here when Jesus comes back, thanks to Roy Hamby. I didn't know a 64 in. by 64 in. building needed a 3 ft. deep footer. Who knew? We did have fun though. Jimmy started playing target practice with a can of wasp spray-you know, the stuff that will shoot about 30ft. The bees had nuthin' to worry about, though; Jimbo unloaded most of the can in Anthony's eyes and Chris Haas' ear. Good shootin', Jim. It's not like Anthony couldn't snap you like a twig or Chris couldn't step on ya.

Now, new business—keep Saturday, October 17<sup>th</sup> open and do not go to Captain's Galley the night before, cause the UMM and the Costa Rica Mission team are planning another fish fry! This time we will do our best NOT to run out of fish at 3:30. So, all y'all afternoon fish eaters, please give us one more chance. We're gonna give y'all all the grease, salt, taters, and cabbage that you can handle. A big THANK YOU to the Costa Rica Mission team for the help cause the fish fry earlier in the year nearly put us down. Viva la Costa Rica!

So to end this fine piece of literature (which my wife loves to type), we have a great group of guys, but even more would be better! We could do more with less, like more projects with less work, and I'm all about that. Thank you to everybody who has donated to the van-bus fund. We hope to have enough in there by the end of the year to get our youth and seniors "on the road again, just can't wait to get on the road again"—a little Willie to close with.

*Every good and perfect gift is from above, coming down from the Father of the heavenly lights, who does not change like shifting shadows.*

— James 1:17

*Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God.*

— Philippians 4:6

**Suggested Reading:** *Dreamland: the True Tale of America's Opiate Epidemic* by Sam Quinones, c2015 and *Triggers: Creating Behavior that Lasts—Becoming the Person You Want to Be* by Marshall Goldsmith, c2015. Quinones gives a riveting and enlightening account of the new heroin use epidemic in the U. S.—how our country was primed for this by indiscriminate prescribing of opiate-type pain pills by doctors (pushed by drug companies), and how a small village in Mexico took it to the next level by using unique sales techniques to move their heroin product with little chance of being shut down by the law.

In his book, Goldsmith explains why it is so difficult to change our behavior and provides the groundwork and a structured way to beat the "triggers" in our environment that keep us mired in bad or destructive behavior patterns. We think that all it takes to change is will power, but Goldsmith shows us that our external environment is often the real culprit that keeps us from changing—not lack of will power. ## Church Council — August 9, 2015

Attendees: David & Sonya Crouse, Kim Ellis, Gerald Frye, Roy Hamby, Jo Nell Harrison, Alice Hill, Bleaka Hollar, Boyd Johnson, Keith Keener, Joann Knepp, Marsha McRary, Scott & Terri Miller, Linda Moretz, Cindy Sears, Jeff Smith, Jimmy Stone, and Jeanette Teague.

Gerald called the meeting to order and opened with prayer. Reading of the minutes from the June meeting was next, and Gerald asked for corrections. Roy Hamby noted that the special speaker would be here on the fifth Sunday of August, not October as recorded. Correction was recorded.

### FINANCIAL REPORT

Gerald asked for comments from Jo Nell Harrison. Our general fund is now down to \$5,000. We could be having problems if our giving does not improve. She also brought up that she is not receiving receipts for items bought for the church or its ministries, and she needs those receipts. Marsha McRary will try to find out to whom we need to send the remaining *Relay for Life* monies. Jo Nell went over a few more items that she had questions about..

Our attendance and giving are down. We are about \$7,000 behind at this point.

### MISCELLANEOUS ITEMS

Cindy read out a congratulatory letter from the district related to our apportionment giving.

Bleaka Hollar reported on the library and encouraged people to use it. Cindy suggested that classrooms could take a selection out and put them in their rooms for their members to use and switch them out again.

Gerald said that he has been reading the Book of Discipline, and found out that our missional work should be talked about at each council meeting. He mentioned the *Kids for Christ* (children's church) that will begin in September. We need to nurture our children, but all our other members need to be nourished also. So, we should be training and feeding our members, and reaching out to the

community, too. A *witness* is a person who has seen or knows and can testify. Let us be more willing to be witnesses to what Christ has done for us—and offers to do for everyone.

We should be in prayer now for our leaders and committee members for next fiscal year, and as we determine our budget for next year, too.

### NEW BUISNESS

Jimmy made a motion to give \$200 to the Back-to-school bash on August 22<sup>nd</sup>. Judy McCrary suggested that other Sunday school classes could give to this. Rainbow class is buying some supplies for the teachers. Keith Keener said the men's group would give \$50 to this. Jo Nell will write the check. Jimmy withdrew his motion.

Cindy brought up a motion to purchase a new folder for the church office, since the ancient one we have is no longer working. It was requested that Cindy find out if there is a warranty and what a maintenance contract would cost if we buy it. Then, we will call a meeting to make a decision.

### CLOSING

Gerald then shared some scripture with us from Exodus 4 where Moses complained that the people would not listen to him. God then showed him how to convince them that he spoke for God. Redemption is through Christ. God wants faith from us, not performance religion. Is God calling you beyond what you see now? He wants to use us, but we must take steps in faith, and do the work He has set before us.

Roy Hamby said the closing prayer.

Minutes by Cindy Sears. ✚

## Special Guest Speaker

We will have a special guest speaker on

**Brooklyn Boston**, who attended South Caldwell High School and recently graduated from Wingate University will come and share how God blessed her. She will tell how she used her ability as a basketball player to go to college, and, now, she wants to give back by serving as a Campus Outreach Counselor at UNC-Greensboro. This is a Christian outreach ministry to college students. She must raise her support, because this is not a paid position.

Donations can be made at [cocharlotte.org/giving](http://cocharlotte.org/giving). You can contact Brooklyn at

Check out "The Bible Project" on YouTube on the WEB. Short illustrated videos are available that explain specific books of the Bible or such things as "holiness" and "covenants" and what "the Messiah" is all about. The illustrations are delightful and the explanations simple, but accurate and insightful.

The two men who are producing these shows accept donations to help them with this non-profit project. You can visit them at [www.jointhebibleproject.com](http://www.jointhebibleproject.com) and download the videos there and help support their work.

Our motto for these services is to follow the admonition from Proverbs 22:6:  
**“Train up a child in the way he should go, and when he is old he will not depart from it.”**

## Something, con't

practice must lead to a higher individuality and ultimately to a cleaner race.

**Birth control is nothing more or less than the facilitation of the process of weeding out the unfit, of preventing the birth of defectives or of those who will become defective."** (emphasis mine) --Margaret Sanger

babies, instead of killing them in the womb.

Yet, the number one problem with decreasing the number of abortions is still the so-called "free sex" society that we and our children live in today. Young people, especially, no longer look forward to marriage and family. Instead, they reside in the never-never land of "feelings" and perpetual childhood, where responsibilities and self-control are not talked about or accepted as desirable. Women and children are the main losers in this society, though men lose also by never becoming truly "adult" men. Children are so de-valued that we look the other way when they are killed and their body parts are sold for a profit (if Planned Parenthood wasn't making a profit, why would they negotiate prices?). As a reaction to this atmosphere, we have helicopter parents who wrap the children they do decide to have in a bubble of comfort and safety so tight that the children have little or no concept of self-discipline or true self-worth. Families continue to decline and fall apart. Fatherless children continue to end up in jail or dead, instead of becoming hard-working, stable members of society. Single parent households are more likely to be in poverty, and remain there, than whole families.

"Children are a gift from the LORD; they are a real blessing."  
—Psalm 127:3 (GNT)

Christians have always fought for the dispossessed, the handicapped, the orphans, the poor, the weak, the powerless, and the aged or sick. Since the Planned Parenthood videos have been coming out, have you heard one sermon about the sanctity of life? Since the high divorce rate and single

parent families have become a normal part of our culture, have you heard a sermon about the sanctity of marriage and the marriage bed? Have any of the spokespersons for the United Methodist Church said anything about the videos?

Silence is not always golden; sometimes it is deadly. ✝

## Pastor's Corner, con't

(Continued from page 1)

I have asked us as a church to give \$5,000.00 to this cause. Our goal as a group of UM Churches is to raise at least \$25,000 towards the total cost of \$75,000. This is not a give-away program, yet it allows people to buy a home, which, otherwise, might be impossible for them to do.

Why did I ask Ebenezer to donate \$5,000? There are 52 Sundays in a year. I asked that each of us commit to giving \$1.00 every time we gather to worship. Last year we averaged \$172 each Sunday for 50 weeks. Taking \$172.00 for each Sunday, multiplied by 50 weeks comes to \$8,600. I have only asked for a portion of that for this project.

Not everyone can come out on Saturday, Tuesday, or Thursday to work on the house; yet everyone can be a part of making this house happen. How much have you given towards *Habitat*? If you are unsure, put in a little extra. Many of us can spare \$2.00. Also, we will be needing volunteers to help with the build. If you would like to volunteer, simply pick up a volunteer form at the church and fill it out.

Our goal is to have Paul celebrate Christmas in his first home. I cannot imagine a greater gift. Paul will be coming out to the church soon to share with us.

And I want to say Thank YOU, THANK YOU for being a congregation that cares, that loves, and that is willing to sacrifice for others.

I want to invite everyone who can to come out **September 5<sup>th</sup> at 8:00 a.m. for our "Ground Breaking" service.** Then if you want to hang around, we will give you a hammer and nails.

Blessings

Rev. Eric R. Lane
