

Pastor's Corner

Greetings in the name of our Lord Jesus Christ,

I was beginning to wonder if fall of the year would ever arrive. The other day I simply had to stand out in the rain as we finally received a little relief from the drought. October has been a very busy and exciting month. We began the month with the “Embrace the Future” Banquet and then ended the month with Lauren and Jimmy Hutto’s wedding. In between we celebrated homecoming.

November is also a full month with Thanksgiving—a time to stop, reflect, and spend time with family, giving thanks for all that we have been blessed with. We often do not take the time to stop and reflect on just how blessed we actually are. I know that many times I find myself complaining about aches and pains and about little things, but when I look around at all God has blessed me with, I become very ashamed.

I have been blessed with a wonderful family, children to love, a wonderful grandson and a wife that has been such a great support and strength in my life. Not only have I been blessed with a loving family, but I have been blessed to be a part of Ebenezer. It is hard to put into words just how much it means to know people who put God first. Thank you for the many cards, letters, and comments that you have shared with me. There truly is a real and genuine spirit of love and concern within this body of Christ. I know within my heart God will do great things in this church because you have opened yourselves up to God.

November is going to be a very busy time, but remember to lift each other up in prayer.

God Bless,

Rev. Eric Lane – November 2007
